

ENET Peripheral Access  
Layer

```
graph LR; A[ENET Register Masks] --> B[ENET Peripheral Access Layer]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'ENET Peripheral Access Layer' in two lines. The box on the right is gray with a black border and contains the text 'ENET Register Masks' in one line. A black arrow points from the right side of the gray box to the left side of the white box.

ENET Register Masks
