

RTC Peripheral Access
Layer

RTC Register Masks

```
graph RL; A[RTC Register Masks] --> B[RTC Peripheral Access Layer]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'RTC Peripheral Access Layer' in two lines. The box on the right is light gray with a black border and contains the text 'RTC Register Masks' in one line. A black arrow points from the right box to the left box.
